Extension Request Form

It is the expectation for all closings to occur within the allotted time frame shown on the executed sales contract. When unexpected delays occur, extensions of time may be approved; however, they will be at the sole discretion of Sage and/or HUD.

All extension requests are submitted to Sage for review and approval.

Not following the guidelines listed below may result in the cancellation of the sales contract and forfeiture of the buyer's earnest money.

Requests for extension fee to be waived: This request may be submitted electronically utilizing the email address shown below for your respective region. Specific examples of reasons for a free extension would include: Owner occupant experiencing delays with financing may be entitled to one free extension (in the case of 203k loans, Sage may grant two extensions in 15 day increments, when warranted). Delays attributed to a seller delay (asset manager clearing title issue, HOA resolution, Utility) or other concerns related to a delay of a HUD contractor.

The extension form, current lender letter or proof of funds and any other acceptable supporting documentation confirming the reason for delay must be submitted five days prior to expiration for consideration of a waived extension.

All other requests must be mailed to the appropriate Sage office along with the supporting documentation and required fee (outlined below).
